### **Position:**

***Seasonal Family Portrait Photographer (June – August)***

PhotoGraphics doesn't want to turn away customers this summer and is looking for an experienced family beach portrait photographer for June/July/August 2018.

Everyone loves to see a beautiful family portrait and experienced photographers can share stories of the process being fun, sometimes messy, and often times stressful. But, if you like the thought of being out on the beach every evening, and you like to meet new people and make them laugh, then working as a photographer for PhotoGraphics might be the perfect fit for you.

### **Responsibilities:**

- **Photography:** Understand how to use a camera resulting in well-lit and sharp images. Have the social skills, personality, and patience necessary to build rapport with all people from grand-parents to infants. Be extremely accurate and organized in cataloging and presenting your images.
- **Customer Service:** Every customer contact is a moment of truth and you will use your verbal and written skills to enthusiastically communicate with customers in-person, online, and over the phone to make them feel welcome and appreciated.

### **Qualifications:**

Must have a minimum of 3 years of professional photography experience and an online portfolio to demonstrate at least 25 complete family portrait sessions, plus a strong working knowledge of Adobe Photoshop and Lightroom.

The right candidate will have established skills in:

- Customer service with enthusiastic written and oral communication
- Staying organized in a chaotic environment
- Post processing images in Adobe Lightroom with quality, creativity and speed
- Editing portraits in Adobe Photoshop

If you are dependable and have mad-skills with a camera and Lightroom (combined with a sense of humor) you will get an interview. The individual selected for this position will have impeccable references and will pass a background check.

Portrait sessions take place in the last 1-2 hours of sunlight (6:00p-8:15p). Post processing of images can take place on your own schedule or at the PhotoGraphics studio on Seabrook Island. This Contractor position pays up to \$150 per completed portrait session including processed images.

**Position Location:** 1101 Landfall Way, Seabrook Island, SC 29455  
LowCountry Executive Center

**To be considered for this position, please send a cover letter, resume, and a link to your online portfolio to:**
